just received. Much obliged!

I can not tell exactly how
I am coming out until I know
how much postage I will have
to pay, but I think I will
have money enough, or if I am

My dear Mr. Byer

I cannot find that any bills of Prof. Ottinger have been approved during the year except bill of March 12-1884 sent you recently - there is no bill of last July.

By the way have you not a bill to be approved for the Insurance? The address I gave you for John B. Lillard M.D. is correct #24 West 9 St.

I enclose herewith draft from minutes of all the bills I have had.

Excuse haste

Yours very sincerely
